Participants may pick-up sample containers with instructions at the Washington County Texas A&M AgriLife Extension Office beginning August 9, 2021. (1305 E. Blue Bell Road in Brenham).

Well owners may bring water samples and \$10.00 fee to the Washington Expo Sales Facility (same location as the program) on Thursday, August 26, 2021 from 7:30am-1:30pm.

No samples will be accepted on Friday, August 27, 2021.

## TEXAS WELL OWNER NETWORK PROGRAM

The Texas Well Owner Network (TWON) program is a educational training for Texas residents who depend on household wells for their water needs. TWON is for private well owners who want to become familiar with groundwater resources, septic system maintenance, well maintenance, water quality and water treatment. Private well owners are independently responsible for monitoring the quality of their wells. Essentially, they are the operators of their own water system and are responsible for ensuring that their water is safe.

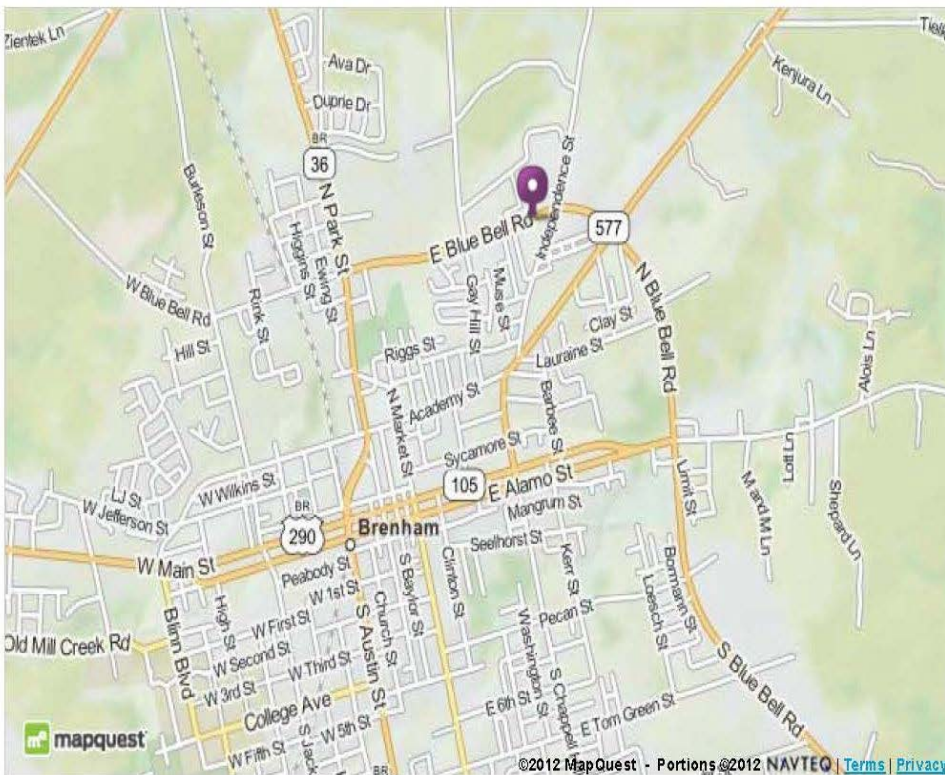

Pre-register for the workshop at <http://washington.agrilife.org/TWON> or call 979-277-6212 ext. 2
