

# TEXAS Watershed Steward

## Bellville, TX

Workshop provided through Clean Water Act §319 nonpoint source grant funding from the TSSWCB and U.S. EPA

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**December 8, 2021:  
1:00 pm - 5:00 pm**

Kenney Agricultural Society Hall  
444 Hall Rd  
Bellville, TX 77418

**In-Person & Virtual Attendance Options Available**  
Preregistration Required

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Mill Creek watershed. Efforts by the Mill Creek Watershed Partnership, and best management practices local stakeholders may use to help improve and protect their water quality, will be highlighted. Free continuing education credits/CEUs offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.

Pre-register for the workshop by going to:
