MILL CREEK  
WATERSHED PARTNERSHIP

## Partnership Meeting and Native Grassland Management Lecture

Join us for the Partnership meeting and a discussion about native grassland management. Along with learning about local invasive and native plant species, participants will hear about best management practices for native grassland restoration and management, including seeding, periodic grazing, control burning, and others.

**AUGUST 9 AT 5:30 PM**

Washington County Expo Sales Facility  
(1305 East Blue Bell Rd., Brenham, TX 77833)

**1 General CEU available!**

Pre-registration is required by August 5:
